ADHD Medication Follow-Up Visit

Children 6-12 years of age who have been prescribed attention-deficit/hyperactivity disorder (ADHD) medication, and had a follow-up visit with a provider within 30 days, can earn a **\$25 Amazon.com Gift Card!** This important health visit is a covered Molina Healthcare benefit – at no cost to you.

It is important for your child to have one follow-up visit with their prescribing provider, within 30 days of taking an ADHD medication for the first time, to discuss side effects or modify the treatment. Regular visits are also important to make sure your child's treatment is working properly.

Tell Us About Your Child's Visit and Earn a \$25 Amazon.com Gift Card!
